We have worked with vFairs as our exclusive Virtual vendor since 2013 primarily due to his teams high level of professionalism, integrity, outstanding customer support and responsiveness. Their accuracy, speed and meticulous attention to detail is incomparable. I have not seen better. Every Virtual vFairs has produced for us has been smoothly run.

We have used vFairs for all our latest virtual events and it has been a huge success. Definitely the best solution out there we've tried for virtual or hybrid events. The team working with us was fantastic and it really made a difference for us.

Sr event planner

We've used vFairs for several events since early in 2020, and have had a dedicated team to help events go off well. The virtual experience provided by vFairs is fantastic and staff, particularly … our immediate team has been great to work with.
